SHELBYVILLE NOTES.

TURNER NORMAL INSTITUTE REJOICING.
The students of Turner Normal Institute were made happy last week by the pleasant visit of two distinguished personages—Bishop B. F. Lee and Dr. W. B. Denny, of Nashville. Both made strong speeches to the students, and expressed themselves as being highly delighted at the new building and general outlook. Dr. Denny was so favorably impressed that he left a check for \$50 with the treasurer to be appropriated specially for furnishing the girls' dormitory. He also expressed his intention of erecting on the campus a teacher's cottage, dedicated to the memory of a deceased daughter. This is to be done within the next year. Bishop Lee will in some like manner memorialize a daughter of precious memory.
Now the students, and general public as well, are filled with delight at the pleasing announcement that Rev. Sutton E. Griggs, the author, lecturer and orator, will deliver the first lecture of the lecture course in the new chapel next Friday night, the 18th. Every one considers President Jones as fortunate in securing the services of this great man.
Rev. R. B. Ross is the new pastor of Scott's Chapel M. E. Church. He is taking hold of his work with the hand of a master. Work on a new brick building has already commenced.

COMMUNION SETS.

VESSELS WITH WHICH TO ADMINISTER THE LORD'S SUPPER.

THE most sacred ordinance that can be observed by all churches is that known as the Lord's Supper or, in other words, Sacrament. We do not think it is in keeping with these sacred ordinances of the Lord's Supper in church now-a-days to try to administer it with out the proper vessels.

Every Church Ought to Have a First-Class Communion Set.

They can have them made out of the best grade of quadruple-plated table silverware if they desire them. The Church Supply Department of the National Baptist Publishing Board has just received from their factory a new lot of this high-class ware, and would take pains in showing them to any one.

The Prices are Within Reach of All and Terms are Reasonable.

No church ought to be willing to use glass dishes or the like for these ordinances when they can have the best grade of silver at moderate prices.
